

Automotive Fleet is ensuring we have the most up-to-date fleet information in the commercial fleet industry.

Please assist us by taking a moment to fill out this brief questionnaire. Fill out as much of the information as possible, if there are questions you feel are proprietary, please leave blank and continue to another question you can answer.

Please note that you are unable to re-enter this form. You can download a PDF of this entire survey, to fill out at your leisure, prior to completing the online form.

1. Fleet profile (approximate U.S. vehicles only)

Number of Cars:	<input type="text"/>
Number of Class 1-2 Trucks:	<input type="text"/>
